

Name of initiative	Vision heading	Brief description	Who is involved	Commitments:	Website
Community Based Tourism: Conservation International / responsibletravel.com	Communities	Marketing networks and databases to help raise the profile of community based tourism projects	conservation international/responsibletravel.com		http://www.responsibletravel.com/copy/copy901178.htm
Conservation International: Policy Planning and Working with Local Partners	Communities	CI supports national and local governments in formulating and establishing policy frameworks that guide development of the tourism sector, government institutional arrangements, and laws affecting tourism..			http://www.conservation.org/LEARN/ECOTOURISM/Pages/ecotourism.aspx
ECPAT - End Child Prostitution Child Pornography and Trafficking for Sexual Purposes	Communities	ECPAT International works to make a reality of the Stockholm Agenda for Action against the commercial sexual exploitation of children (CSEC)	more than 80 groups in over 70 countries All of these groups are independent organisations or coalitions working against the commercial sexual exploitation of children.		http://www.ecpat.net/EI/index.asp
Fair Trade in Tourism Network	Communities	Tourism Concern's International Fair Trade in Tourism Network aims to strengthen the bargaining position of local destination interest groups, facilitate equitable market access for small stakeholders, raise awareness amongst consumers and influence international trade policy.	Tourism Concern, FLO International		http://www.tourismconcern.org.uk/index.php?page=fairtrade-network
The Travel Foundation	Communities	responsible tourism charity. It supports environmental and community programmes designed to help local businesses to work with the travel industry. aims to help the outbound travel industry manage tourism more sustainably. Various initiatives, training and tools available	Travel companies, destinations, travel associations, tourism organisations, individuals, universities, gap-year organisations government, tour operators, industry associations, relevant charities and academia First Choice, Thomas Cook, MyTravel, Cosmos, Sunvil, lowcostgroup, Keycamp, Titan Tours, Frantic Tours, Hidden Greece and Beat the Brochure		http://www.thetravelfoundation.org.uk/who_we_are.asp
Tour Operators Initiative - supply chain guide	Communities	Guide to Integrating sustainability into the tour operators' supply chain			http://www.toinitiative.org/index.php?id=53
Green Globe international: Three Stage Sustainability and Carbon Neutrality Plan	Communities	Assists countries around the world in building a sustainable and carbon neutral tourism destinations. Stage 1. Strategies for Sustainable and Carbon Neutral Tourism Stage 2. Measurement and Management Stage 3. Change and Communication	Travelmole, PA consulting Group, meeting and events management Partner, Green hotel certification, Evaluate communicate evolve, Wallace partners, Cooperative Research Centre (CRC) of Australia		http://www.greenglobeint.com/operations/sustainability/

UNEP: Sustainable tourism planning in coastal zones	Communities - coastal	The project aims to develop and implement on a pilot scale a methodological framework for sustainable tourism planning in coastal zones. The methodological framework is based on the principles of the Integrated Coastal Zone Management framework, the Tourism Carrying Capacity concept and the Strategic Planning approach.	UNEP		http://www.unep.fr/scp/tourism/activities/projects/ http://www.unep.fr/scp/tourism/activities/projects/pdf/FS_ICZM.pdf
UNWTO: Demonstrating and Capturing Best Practices and Technologies for the Reduction of Land-sourced Impacts Resulting from Coastal Tourism	Communities - coastal	The objective of the Project is to mitigate the negative impacts of tourism on the coastal and marine environment in Sub-Saharan Africa, as well as using the opportunity to support nature conservation, as identified by the African Process, through promoting the development of sustainable tourism policies and strategies and the implementation of pilot demonstration projects in a number of countries that participated in the African Process.	Global Environmental Facility, United Nations Environment Programme, United Nations Industrial Development Organization This project involves the following countries, and it is coordinated through the Ministries of Environment and Tourism: Kenya, Mozambique, Seychelles, Tanzania, Gambia, Ghana, Nigeria, Senegal and Cameroon		http://www.unwto.org/sdt/project/en/projects_popup.php?id=1359
UNWTO Indicators of sustainability for tourism destinations	Communities - indicators	UNWTO has been promoting the use of sustainable tourism indicators since the early 1990s, as essential instruments for policy-making, planning and management processes at destinations. The Guidebook on Indicators of Sustainable Development for Tourism Destinations, published in 2004, is the most comprehensive resource on this topic, the result of an extensive study on indicator initiatives worldwide, involving 62 experts from more than 20 countries.	tourism officials and professionals		http://www.unwto.org/sdt/fields/en/policy.php?op=2&subop=1
Tourism Concern: Supporting Sustainable Tourism in Mexico	Communities - Mexico	a pilot project to promote better understanding of the social, cultural and economic impacts of tourism amongst community-based tourism enterprises in Mexico. The aim is to ensure that local communities nurture and protect their social, cultural and economic resources while benefiting from sustainable tourism	Tourism Concern, in conjunction with Mexican NGO Sector and the UK's Foreign Commonwealth Office, in partnership with the Puerta Verde Ecotourism Network and RECT		http://www.tourismconcern.org.uk/index.php?page=mexico
Policies and Tools for Sustainable Tourism - A Guide for Policy makers (UNWTO/UNEP, 2005)	Communities - policy	This Guidebook is a basic reference and provides a blueprint for governments to formulate and implement sustainable tourism policies.			http://www.unwto.org/sdt/fields/en/policy.php?op=2&subop=1

Overseas Development Institute (ODI)	Communities - poverty	Since its inception in 1999, ODI's research programme on tourism has aimed to answer two fundamental questions: How does tourism affect the poor? How can tourism development be influenced to increase net benefits to the poor? Various reviews and papers published			http://www.odi.org.uk/tourism/
Sustainable Tourism – Eliminating Poverty (ST-EP)	Communities - poverty	UNWTO, governments, NGOs, bilateral and multi-lateral organisations, businesses and the local communities. launched ST-EP Initiative at the World Summit on Sustainable Development (Johannesburg, 2002). initiative focuses on enhancing the Organization's longstanding work to encourage sustainable tourism – social, economic and ecological – with activities that specifically alleviate poverty, delivering development and jobs to people living on less than a dollar a day.	UNWTO, Governments of the Republic of Korea, Italy, Macao S.A.R. China, and the Netherlands Development Organisation SNV		http://www.unwto.org/step/index.php
Tour Operators Network for Poverty Alleviation at Destinations (TONPAD)	Communities - poverty	In April 2006, a number of Tour Operators from the Netherlands, Belgium, Germany, Switzerland, Great Britain, Austria, Italy decided to establish a small network of specialist tour operators in Europe with the aim to share experiences and to inform each other about interesting small-scale sustainable tourism products at destinations in countries that suffer from poverty conditions.	Green Travel Market, Tour operators -The Adventure Company (UK), Imaginative traveller (UK), Go Differently (UK), World Tourism Organisation, SNV (Netherlands), GTZ (Laos), FH Eberswalde University, ECEAT Projects – Green Travel Market (Netherlands)		http://www.greentravelmarket.info/default.asp?site=background&menu=st_tourop&main=portal/st_tourop.htm
Footprints Network	Communities / philanthropy	The footprints network is an alliance of e-commerce businesses and their customers who fund community projects from many tiny donations collected with every online transaction.	* REMO General Store * World Nomads * Travel Insurance Direct (Australia) * Travel Insurance Direct (NZ)		http://www.footprintsnetwork.org/
World Travel and Tourism Council: Climate Change Commitments	Environment	forum for business leaders in the Travel & Tourism industry	forum for the Chairmen, Presidents and CEOs of one hundred of the world's foremost Travel & Tourism companies. Membership list: http://www.wttc.org/eng/Members/Membership_List/	y - climate change commitments http://www.wttc.org/bin/pdf/original_pdf_file/climate_change_final.pdf	http://www.wttc.org/

World Economic Forum: towards a low carbon travel and tourism sector	Environment	The World Economic Forum, through its Industry Partnership Programme for the Aviation, Travel & Tourism industry, is engaging all key stakeholders in a collaborative dialogue to address the barriers to implementing some promising new cross-industry partnerships for carbon abatement that have been identified by the community. The Forum will continue this dialogue throughout the course of 2009–10.	WEF, UNEP, ICAO, UNFCCC and industry		http://www.weforum.org/pdf/ip/att/ClimateChangeReportCopenhagen.pdf
Sustainable Aviation	Environment - Aviation	A long term strategy which sets out the collective approach of UK aviation to 'tackling the challenge of ensuring a sustainable future for our industry' through a series of eight goals and 34 commitments, relating to the economic, environmental and social aspects of aviation.	UK's leading airlines, airports, aerospace manufacturers and air navigation service providers. List of signatories includes BA, Monarch, Virgin, Easyjet, TUI, Thomas cook - full list http://www.sustainableaviation.co.uk/pages/default/about-us.html	A series of eight goals and 34 commitments, relating to the economic, environmental and social aspects of aviation	www.sustainableaviation.co.uk
International Air Transport Association: fuel efficiency goal	Environment - Aviation	IATA expects airlines to reduce their fuel consumption per revenue tonne kilometre (RTK) by at least 25% by 2020, compared to 2005 levels.	IATA represents some 230 airlines comprising 93% of scheduled international air traffic	In 2007, IATA updated its fuel efficiency goal	http://www.iata.org/index.htm
Advisory Council for Aeronautical Research in Europe (ACARE) ACARE Emissions Targets	Environment - Aviation	Aim is to develop and maintain a Strategic Research Agenda (SRA) for aeronautics in Europe.	Representation from the EU Member States, the Commission and stakeholders, including manufacturing industry, airlines, airports, service providers, regulators, the research establishments and academia.	2020 targets: <ul style="list-style-type: none"> • Reduce CO2 by 50% per passenger kilometre (assuming kerosene remains the main fuel in use) • Airframe contribution: 20 to 25% • Engine contribution: 15 to 20% (of SFC decrease) • ATM contribution: 5 to 10% • Reduce perceived noise to one half of current average levels • Reduce NOx emissions by 80% • Reduce other emissions: soot, CO, UHC, SOx, particulates, etc. • Minimize the industry impact on the global environment, including substantial progress toward 'Green-MMD' (Manufacturing, Maintenance and Disposal). Goals, leading concepts, solutions and technology enablers were derived from these objectives.	http://www.acare4europe.com/

Green Key	Environment - awards	<p>TheGreenKey® is an international eco label for tourism facilities: hotels, youth hostels, conference- and holiday centres, campsites, holidayhouses, leisure facilities and restaurants.</p> <p>To obtain TheGreenKey the company has to fulfill a long list of environmental requirements. These requirements are contained in a number of criteria. Besides pure environmental demands, the criteria include demands on policy and actionplans.</p>			http://www.green-key.org/
Blue Flag	Environment - awards / Communities	<p>The Blue Flag is a voluntary eco-label awarded to over 3200 beaches and marinas in 37 countries across Europe, South Africa, Morocco, Tunisia, New Zealand, Canada and the Caribbean.</p> <p>The Blue Flag works towards sustainable development at beaches/marinas through strict criteria dealing with water quality, environmental education and information, environmental management, and safety and other services.</p>	The Blue Flag Programme is owned and run by the independent non-profit organisation Foundation for Environmental Education (FEE).	The Blue Flag Programme includes environmental education and information for the public, decision makers and tourism operators.	http://www.blueflag.org/
Davos Declaration	Environment - climate change	the Second International Conference on Climate Change and Tourism, in Davos, Switzerland, from 1 to 3 October 2007. The aim of responding in a timely and balanced way to climate change imperatives in the tourism sector.	UN World Tourism Organization (UNWTO), jointly with the United Nations Environment Programme (UNEP) and the World Meteorological Organization (WMO), with the support of the World Economic Forum (WEF) and the Swiss Government, 450 participants from over 80 countries and 22 international organizations, private sector organizations and companies, research institutions, NGOs and the media,	The tourism sector committed itself to take a long-term strategic position on these issues, starting now, and to do this as a contribution to the UN Secretary-General's global roadmap for the Climate Change Conference in Bali, at the end of this year. We leave Davos more optimistic about our future on the common agreement to build upon quadruple bottom line sustainability of economic, social, environmental and climate responsiveness."	http://www.unwto.org/pdf/pr071046.pdf
ABTA: Reduce my footprint	Environment - industry	The travel industry climate programme, designed to mitigate the effects of travel on climate change. It provides you with a way to understand the impacts we all have, and to calculate the emissions created by your travel plans. You can contribute toward offsetting these carbon emissions through a variety of projects.	ABTA, The Travel Association, The Converging World, Forum for the Future, AITO, The Association of Independent Tour Operators, Manchester Metropolitan University, Centre for Aviation Technology and Environment, FTO, Federation of Tour Operators, Sunvil Ltd, Carbon Offsets Ltd, TICOS, Travel Foundation		http://www.reducemyfootprint.travel/

UK Chamber of Shipping	Environment - Shipping	Developing a proposal for a Market Based Instrument (Carbon Trading) to reduce carbon emissions from ships for IMO (this work is now dovetailed with SEaT)			www.british-shipping.org
UK Chamber of Shipping -	Environment - Shipping	Marine Environmental Issues Committee work to identify and interpret marine issues/legislation and bring them to a wider audience within the industry (similarly the UK CofS National Maritime Occupational Health and Safety Committee)			www.british-shipping.org
SEaT	Environment - Shipping	Ship Emissions and Trading; an industry funded organisation looking at reducing emissions from shipping			http://www.seaat.org/
Passenger Shipping Association - SSHEW (Safety, Security, Health, Environment and Welfare)	Environment - Shipping	SSHEW (Safety, Security, Health, Environment and Welfare) Committee work in the same way as the Chamber Committees to broaden understanding and carry out research when necessary.			www.the-psa.co.uk
Ferry Box' -	Environment - Shipping	Ship owners and operators fund and carry scientific data recorders for salinity, pH, temperature, bacterial growth etc for a number of academic and research bodies in order that global climate change can be monitored and climate change models more accurately constructed.			http://www.ferrybox.org/
Cruise Line Industry Association	Environment - Shipping	adopted a set of minimum Environmental Standards that it encourages its members to adopt (in effect these standards reach over 80% of the global cruise industry and in most cases are exceeded)			http://www.cruising.org/press/press-kits/kits/expand_horizons/8.cfm
Ocean Conservation and Tourism Alliance: Conservation International	Environment - shipping	a partnership with the cruise line industry that focuses on reducing the environment footprint of cruise ships and promoting ways that the cruise lines and their passengers, crew and business partners can help conserve biodiversity in the areas that the ships visit			http://www.celb.org/xp/CELB/programs/travel-leisure
Sustainable Investment and Finance in Tourism (SIFT) Network	Finance	The SIFT network is an investment network meant to mainstream sustainability into tourism development investments and financing	UNEP		http://www.unep.fr/scp/tourism/
World Tourism Organisation - Tourism Satellite Accounts	Finance	The overall mission of the UNWTO Department of Statistics and Tourism Satellite Account (TSA) is to foster the development of national Systems of Tourism Statistics (STS), the international comparability of tourism statistics and the macroeconomic analysis of tourism.			http://www.unwto.org/statistics/index.htm

'Clean Sky' Joint Technology Initiative (European Commission)	Infrastructure	Brings together European R&D stakeholders to develop 'green' air vehicle design, engines and systems aimed at minimising the environmental impact of future air transport systems.		Reduce CO2 by 50% per passenger kilometre Reduce perceived noise to one half of current average levels Reduce NOx emissions by 80% Minimise negative industrial impact during manufacture, maintenance, overhaul, repair and disposal	http://www.cleansky.eu/index.php?arbo_id=83&set_language=en
Civil Aviation Navigation Services Organisation: goals for improving aviation sustainability (CANSO)	Infrastructure	The global voice of the companies that provide air traffic control. It represents the interests of the Air Navigation Service Providers (ANSPs) worldwide.	CANSO members	Our key goal is for ATM to increase airspace efficiency to 96% by 2050 The Environment Master Plan sets out detailed milestones, deliverables, and accountabilities in delivering CANSO's Imagine 2010 goals in Environment. It was last updated February 2009.	http://www.canso.org/cms/showpage.aspx?id=52
International Civil Aviation Organisation	Infrastructure	The International Civil Aviation Organization, a UN Specialized Agency, is the global forum for civil aviation. ICAO works to achieve its vision of safe, secure and sustainable development of civil aviation through cooperation amongst its member States.	Most of this work is undertaken through the ICAO Council's Committee on Aviation Environmental Protection (CAEP), which consists of Members and Observers from States, intergovernmental and non-governmental organizations representing aviation industry and environmental interests.	Yes - ICAO Assembly adopted Resolution A36-22 In 2004, ICAO adopted three major environmental goals, to: 1) limit or reduce the number of people affected by significant aircraft noise; 2) limit or reduce the impact of aviation emissions on local air quality; and 3) limit or reduce the impact of aviation greenhouse gas emissions on the global climate.	http://www.icao.org/
Green Hotel Certification	Infrastructure	Third party certification. The seal is an independent recognition of sustainability efforts. Environmental and cultural levels as well as Corporate Social Responsibilities are benchmarked against worldwide principles.	Green Globe International, Inc. , United Nations World Tourism Organization, World Travel & Tourism Council (WTTC), Barbados Hotel & Tourism Association, CAST -Caribbean Alliance for Sustainable Tourism, CHTA -Caribbean Hotel & Tourism Association, Santa Monica Convention & Visitors Bureau, Sustainable Worksgreen globe international, Cappa & Graham, Inc., New World Travel, Vacation Express, Energy Management Solutions, Inc., NativeEnergy, Nu Barbados: Bio-cleaning solutions, Innu-Science: Biotechnological Cleaning Products, Green Lodging News	Green Globe is committed to better environments, more responsible business practices and contribution to climate care — all critical principles for the 21st century. http://www.greenglobeint.com/	www.greenhotelcertification.com

ITP: Environmental Management for Hotels	Infrastructure	manual provides hotels and other related businesses with the knowledge and means to develop practical solutions to 'green' their operations. The manual focuses on key areas such as energy management, water conservation, waste management, purchasing and supply chains, food safety and environmental health	International Tourism Partnership		http://www.tourismpartnership.org/Publications/EMH.html
Sustainable Tourism Eco-Certification Program - sustainable travel international	Infrastructure - eco label	Since 2002, Sustainable Travel International has been developing an eco-certification program for travel and tourism providers who incorporate financially viable, environmentally and socially responsible business practices into their operations.	sustainable travel international, travel and tourism providers		www.sustainabletravelinternational.org
Visit	Infrastructure - eco label	Nine of the most respected and longstanding national tourism eco-labels have allied to establish a European Association known as the Voluntary Initiative for Sustainability in Tourism or VISIT. An initiative for the promotion of eco-labels and sustainable tourism development. VISIT has a dual meaning. As an invitation to consumers, "Your VISIT makes the difference - the choice is yours!" and as an invitation to tourism providers to use VISIT as platform for "Voluntary Initiatives for Sustainability in Tourism".	The current network of members is comprised of a wide range of business types, including accommodation providers, visitor attractions, corporate offices and others.		www.yourvisit.info http://www.visit21.net/
Green Tourism Business Scheme (GTBS)	Infrastructure-eco label	UK and Scotland Since 1998, the Green Tourism Business Scheme eco-label has offered bronze, silver and gold awards to travel and tourism providers who fulfill the most important criteria in all of its environmental categories. Part of VISIT EUROPE	Shetland Environmental Agency Ltd (SEA Ltd) , The green tourism business scheme, Green travel and tourism providers		www.green-business.co.uk
Global Sustainable Tourism Criteria	Infrastructure	a coalition of 32 organizations working together to foster increased understanding of sustainable tourism practices and the adoption of universal sustainable tourism principles.	The Partnership, which was initiated by Rainforest Alliance, the United Nations Environment Programme (UNEP), the United Nations Foundation, and the United Nations World Tourism Organization (UNWTO)		http://www.sustainabletourismcriteria.org/

Travelife	Infrastrucuture	an internationally recognised award scheme for hotels and other tourist businesses partners who attain high standards of environmental management. Customers can now begin to look for the Travelife Bronze, Silver and Gold Award logos in holiday, hotel and tourist service brochures and websites.	created by Federations of Tour Operators and part-funded by the European Union		http://www.fto.co.uk/resources/latest-news/index.php?newsID=55&b=519
Sustainable Tourism Stewardship Council (STSC)	Infrastruture	The Sustainable Tourism Stewardship Council (STSC) is a proposed global accreditation body for sustainable tourism and ecotourism certification programs.	a coalition of tourism industry associations, nonprofit civil society organizations (NGOs) and government agencies effort is led by a steering committee that includes the United Nations Environment Program, the Centre for Ecotourism and Sustainable Development, The International Ecotourism Society, and Rainforest Alliance		http://www.unwto.org/sdt/fields/en/global.php#8
International Task Force on Sustainable Tourism Development (ITF-STD)	International	The Marrakech Process is a global multi-stakeholder process to promote sustainable consumption and production (SCP) and to work towards a 'Global Framework for Action on SCP', the so-called 10-Year Framework of Programmes on SCP.	UNEP and UN-DESA are the leading agencies of this global process, with an active participation of national governments, development agencies, private sector, civil society and other stakeholders.		http://www.unwto.org/sdt/fields/en/global.php#8
World Tourism Organisation	International	Involved with sustainable development and tourism across the board. Sustainable development of Tourism: - Policy guidelines of tourism - Destination specific activities - Cultural, social and ethical aspects - Poverty reduction - Global Initiatives		Y - Davos Declaration http://www.unwto.org/pdf/pr071046.pdf the millenium development goals Mission Statement and key objectives: http://www.unwto.org/sdt/mission/en/mission.php	http://www.unwto.org/index.php
Virgin holidays responsible tourism awards	People	The Awards recognise individuals, companies and organisations in the travel industry that are making a significant commitment to the culture and economies of local communities and are providing a positive contribution to biodiversity conservation.	collaboration between online travel directory responsibletravel.com, who founded and organise the Awards, UK media partners The Daily Telegraph, Geographical Magazine and BBC World News, and World Travel Market		http://www.responsibletourismawards.com/
Tourism for Tomorrow Awards	People	The Tourism for Tomorrow Awards are presented annually to organisations pioneering responsible tourism management and helping to improve the livelihoods of communities in host destinations through sustainable tourism development. Available awards in: Destination stewardship, Conservation, community benefit, global tourism business.	world travel and tourism council, Travelport, conservation foundation		www.tourismfortomorrow.com

UNEP's tourism and environment programme: Raising Awareness on Climate Change and Tourism	People	Initiative to raise awareness on the topic of climate change among the tourism industry and the consumers to facilitate the adaptation to the existing effects of climate change and to anticipate and mitigate future impacts	UNEP		http://www.unep.fr/scp/tourism/activities/projects/ http://www.unep.fr/scp/tourism/activities/projects/pdf/FS_Tourism_Awareness.pdf
Green Passport	People	initiative to accelerate a global shift towards sustainable consumption and production. The Campaign builds on the need to improve the tourism sector's efforts to communicate with tourists on sustainable tourism through campaigns on sustainability issues. Website with information for travellers	UNEP		http://www.unep.fr/scp/tourism/activities/projects/ http://www.unep.fr/greenpassport/
UNEP: Capacity building for environmental management of small and medium enterprises in the accommodations sector'	People	The project aims at providing capacity building for the accommodation sector to improve the environmental performance of Small and Medium sized enterprises.	UNEP		http://www.unep.fr/scp/tourism/activities/projects/ http://www.unep.fr/scp/tourism/activities/projects/pdf/FS_etool.pdf
Defra green light workshops	People	Helping tourism companies to manage green marketing claims within the rules. A programme of free workshops to help marketers and their agencies create risk-free communications and to gather insights into how Government can better support marketers' efforts to promote fairly (Tourism workshop: May 12 th 2009)			http://www.defra.gov.uk/news/2009/090505c.htm
European Network for Sustainable Tourism Development - ECOTRANS	People - network	a European network of experts and organisations in Tourism, Environment and regional development, who are seeking to promote good practice in the field of sustainable Tourism.	International Friends of Nature, ETC European Travel Commission, EUFED - European Union Federation of Youth Hostel Associations, Ramboll Management Brussels, Tourisme, Transports, Territoires, Environnement Conseil (TEC), Centre for the Study of Small Tourism and Hospitality Firms, TTC The Tourism Company...amongst others		http://www.ecotrans.org/2007/html/projects.html
green travel market: sustainable tourism international	People - products	Green Travel Market offers outbound tour operators comprehensive, reliable and up-to-date information on sustainable tourism products that are currently available on the global marketplace. To ensure quality and sustainability, all of the products in our marketplace have been screened based on our quality and sustainability criteria.	Tour operators		http://www.greentravelmarket.info/

Tourism Concern's Ethical Tour Operators' Group	People - SME's	A package of activities designed to facilitate dialogue, provide essential information and skills to support operators in the challenge of running a socially responsible tourism business.	Adventure Alternative, Baobab Travel, Cazenove & Lloyd, Different Travel Company, Dragoman, Expert Africa, Exodus, Explore Worldwide, Gane & Marshall, Hands Up Holidays, Into Africa, Livingstone Tanzania Trust, Nepal Trekking, Oasis Overland, Rainbow Tours, Saddle Skedaddle Simply Tanzania, Tribes Travel, Wilderness Journeys.		http://www.tourismconcern.org.uk/index.php?page=ethical-tour-operators-group
Make Travel Greener	People - Training	A quick and easy guide to sustainable tourism for all travel staff	Travel Foundation and ABTA		http://www.maketravelgreener.com/
UNEP: Sowing the Seeds of Change: An Environmental and Sustainable Tourism Teaching Pack for the Hospitality Industry	People - training, hotels	at supporting hospitality education centers develop and expand their environmental and sustainable tourism curricula. It is also intended to help future and present hospitality professionals in understanding the challenges posed by the hospitality industry and to provide them with the knowledge and practical tools to develop in-house training programmes to support environmental initiatives in their hotels.	UNEP		http://www.unep.fr/scp/tourism/activities/projects/ http://www.unep.fr/scp/tourism/activities/projects/pdf/FS_Seeds.pdf
UNEP: Promoting Natural and Cultural Heritage as assets for Sustainable Tourism Development	People / communities	The project aims at sharing innovative experiences involving companies and capacity building (local, regional and national level) for promoting the natural and cultural heritage as assets for sustainable tourism development.	UNEP		http://www.unep.fr/scp/tourism/activities/projects/ http://www.unep.fr/scp/tourism/activities/projects/pdf/FS_America.pdf
Tourism Sustainability Group (TSG)	Sustainable tourism network	The TSG was set up by the European Commission in the end of the 2004 in order to provide input to the sustainability of European tourism.	The Group comprises individuals from international bodies, member state governments, regional and local authorities, the tourism industry, professional bodies, environmental organisations, trade unions and research and educational bodies		http://www.unwto.org/sdt/fields/en/global.php#8
Tour operators' initiative for sustainable tourism development (toi)	Sustainable tourism network	The Initiative is as Association registered in Switzerland. It is voluntary, non-profit, and open to all tour operators, regardless of their size and geographical location. With this Initiative, tour operators are moving towards sustainable tourism by committing themselves to the concepts of sustainable development as the core of their business activity and to work together through common activities to promote and disseminate methods and practices compatible with sustainable development.	UNWTO/UNEP/UNESCO/WWF/CELB Accor (France) Atlas Voyages (Morocco) Aurinkomatkat-Suntours (Finland) Discovery Initiatives (UK) Dynamic Tours (Morocco) FreeWay dventures (Brazil) Hotelplan (Switzerland) KEL 12 (Italy) Kuoni Travel Holding Ltd. REWE-Touristik (Germany) Sahara Tours International Morocco) Settemari (Italy) Studiosus (Germany) TLB Destinations (Lebanon) Transat A.T. Inc. Travel Walji's PVT (Pakistan) TUI Travel PLC Viaggi del Ventaglio (Italy)	Statement of commitment: http://www.toinitiative.org/index.php?id=11	http://www.toinitiative.org/
